

EAR::Communication  
::Endpoint

```
graph BT; A[EAR::Communication::Receiver] --> B[EAR::Communication::Endpoint]
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'EAR::Communication' on the first line and '::Endpoint' on the second line. The bottom box is light gray with a black border and contains the text 'EAR::Communication' on the first line and '::Receiver' on the second line. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating an inheritance or specialization relationship.
